

→ CORPORATE EVENTS AND CONFERENCES

Fusion Entertainment provides individually packaged services to the entertainment and events industry. Our approach is to tailor our services to your specific event, delivering an experience your audience won't forget.

With state-of-the-art technology and experienced technicians, we can deliver the production for your corporate event or conference with flawless results. We focus on delivering the key messages and engaging with the corporate audience through seamless technology.

Fusion's corporate packages are ideal for clients with small to medium conferences and presentations, incentives, tradeshows and celebrations. We take care of everything for you.

FUSION CORPORATE AND CONFERENCE PACKAGES INCLUDE:

- 1 Audio** – We can tailor the audio for your event to ensure your presenters can communicate with your audience clearly.
- 2 Visual** – We have a vast selection of products such as projectors and flat-screens available for your conference. We can provide both live vision solutions and video production services for keynote addresses and presentations.
- 3 Lighting** – A basic lighting package can make your conference or event come alight!

Call us for more information about how you can reach your audience!

Fusion
